

Track Your Spending Student Handout

Directions: Use the spaces below to track your spending for a few days. When you are finished, circle the items you could have gone without. Total how much you would have saved if you had gone without these items.

DAY 1

ITEMS	PRICE

DAY 2

ITEMS	PRICE

DAY 3

ITEMS	PRICE

If you made a small change each week, how much could you save in a month? In a year?

What bigger item could you be saving for?
